

IT'S PART OF OUR PROMISE

...TO GIVE YOU WHAT YOU NEED TO SUCCEED.

From a safe workplace and open communication to the right training and the opportunity for personal/professional development, AltaGas Utilities provides its employees with the resources they need to discover fulfilling careers.

Headquartered in Leduc, only minutes south of Edmonton, AltaGas Utilities, with 16 district locations throughout Alberta, safely and dependably distributes natural gas to more than 70,000 residents in over 90 communities across the province. We deliver high-quality customer service in a positive work environment.

PROJECT SUPERVISOR

In this salaried position, you will be responsible for planning and coordinating construction activities in the field; performing and supervising inspection activities to ensure quality standards, internal policy and procedures and external regulations are adhered to during construction; acting as the "person in charge of the work" as it relates to the Company's Environmental Management Practices; ensuring compliance at the work site with Company safety standards, policies and procedures; and ensuring compliance at the work site with other applicable internal and external standards and regulations.

To be successful in this position, you will require a minimum of seven (7) years related experience, a High School Diploma or equivalent, and a Construction Engineering Diploma or equivalent. A CET designation with ASET and a Project Management Certificate/Professional designation are preferred.

AltaGas Utilities employs individuals who are committed to safety and demonstrate a work ethic that includes honesty, loyalty, respect, reliability, accountability, and ethical behaviour.

Please forward your resume by **midnight, Tuesday November 14, 2011** to: jobs@agutl.com,
via fax to: 780-980-7330, or mail it to: HR Coordinator, Staffing, AltaGas Utilities Inc.,
5509 45 Street, Leduc, AB T9E 6T6.
