

IT'S PART OF OUR PROMISE

...TO GIVE YOU WHAT YOU NEED TO SUCCEED.

From a safe workplace and open communication to the right training and the opportunity for personal/professional development, AltaGas Utilities provides its employees with the resources they need to discover fulfilling careers.

Headquartered in Leduc, only minutes south of Edmonton, AltaGas Utilities, with 16 district locations throughout Alberta, safely and dependably distributes natural gas to more than 70,000 residents in over 90 communities across the province. We deliver high-quality customer service in a positive work environment.

STANDARDS ENGINEER - Leduc

In this salaried position, the successful candidate will be responsible for creating, maintaining, and updating Operations & Engineering codes, standards and practices; liaising internally and externally with SMEs and regulatory authorities on compliance matters; reviewing, testing and approving all new gas system tools and equipment; and participating in best practice task force initiatives. This position requires a Degree in Mechanical Engineering or equivalent, membership in APEGGA or qualification to register as a practicing member; and, more than five (5) years of standards/policy development experience. Gas Utility experience is considered an asset.

AltaGas Utilities employs individuals who are committed to safety and demonstrate a work ethic that includes honesty, loyalty, respect, reliability, accountability and ethical behaviour.

Please forward your resume by **midnight, Friday, September 23, 2011** to: jobs@agutl.com,
via fax to: 780-980-7330, or mail it to: HR Coordinator, Staffing, AltaGas Utilities Inc.
